Nick, Julia,

I hope you're well.

Now that I'm officed in this part of DTLA, I keep walking down a stretch of Flower St, between 7th & 8th, and noticing these giant, blank walls (pic attached), which are apparently both controlled by Athena Parking.

Athena is maybe the one parking company that I never had much dealings with in the past. As such, any chance you could make an email introduction? I like to pitch them on potential Do Art murals on these walls.

Our Public Art page is fairly up-to-date for examples of our work:

Cheers,

Tanner
